

Systematic Industries Bags Orders for its New Age Businesses from Power Grid Corporation of India Ltd. (PGCIL) and Indian Railways

OPGW Orders

INR 18.8 Mn from PGCIL

INR 4.1 Mn from a Power Utility Company

Optical Fibre Cable Order

INR 20.1 Mn from East Central Railway

Mumbai, 30th January 2026: Systematic Industries Limited (SIL), a leading manufacturer of specialised steel wires, cables and optical fibre solutions, has secured orders for Optical Ground Wire (OPGW) and Optical Fibre Cables (OFC) and from PGCIL, railways, utility customers and thereby, reinforcing its strong position in India's EPC business, power transmission and railway communication segments.

The Company has secured an OPGW supply cum installation developmental order from Power Grid Corporation of India Ltd. (PGCIL) amounting to INR 18.8 Mn. With the aforesaid order, the Company has made inroads into EPC tendering business. Additionally, Systematic has won OPGW supply order for towering accessories and earthing for 132kv transmission line amounting to INR 4.1 Mn towards a Hydro Power Project in Nepal.

The Company has received its first purchase order from East Central Railway, awarded under a competitive tendering process, for the supply of 24-Fibre Armoured Optical Fibre Cable conforming to RDSO specifications. The total order value of this Railway contract is approximately INR 20.1 Mn. The order facilitates Systematic Industries to tap the OFC opportunities in Indian Railways driven by massive infrastructure upgrades.

Commenting on the development, the Siddharth Agarwal, Managing Director of Systematic Industries said:

"The Company remains committed to technology-driven products like OPGW and Fibre Armoured OFC, backed by in-house R&D, multiple manufacturing facilities, and strict quality control systems. We have forayed into EPC tendering business with INR 18.8 Mn OPGW order from PGCIL. The project marks a strategic achievement as it enhances Systematic Industries presence in India's national power transmission network by implementing advanced communication infrastructure. It not only enhances our revenue visibility for FY26 and beyond but also strengthens our presence across power transmission applications and EPC projects.

Additionally, we are excited to announce that we have secured our first purchase order worth INR 20.1 Mn from East Central Railways for the supply of 24 Fibre Armoured Optical Fibre cables according to RDSO specifications. This win marks Systematic Industries' entry into the Indian Railways, driven by significant infrastructure upgrades. Systematic Industries remains optimistic about sustained demand for its new age margin accretive businesses from railways, power utilities and telecom infrastructure projects driven by national capex initiatives"

About Systematic Industries Limited

Systematic Industries Limited (SIL), founded in 2000, is India's 3rd largest and a leading manufacturer of steel wires and cables, with a strong presence across both legacy and new-age infrastructure products. The Company operates five manufacturing facilities across India with a combined installed capacity of 1,00,000 MTPA and serves customers across ~25 states and over 30 countries globally. SIL is an approved vendor for key government and utility bodies, including RDSO and Power Grid Corporation of India Limited, and is a development vendor for Fibre Armoured Optical Fibre Cables and Optical Ground Wires (OPGW). Backed by in-house R&D, a diversified product portfolio, and a net debt-free balance sheet, Systematic Industries is well positioned to benefit from India's expanding power transmission, railway, telecom and infrastructure investments.
